

Dear Grandpa & Grandma Hell,

¿Como estan? Here everything is going well... I am getting transferred to Cuenca tomorrow.

I can't believe it. I have only had 3 wks. here in Guataseo.

Things have been going well here. I am happy & enjoying this time working in the work of God.

It's incredible to teach people & see their faith grow. I have seen lots of people changing their lives for the better.

It's incredible to think of all the positive changes worldwide that are going on through →

missionary work.

MANY MIRACLES!

I hope this year  
will be an incredible  
year for all of us.

Thank you so  
much for the

Christmas  
Card & money.

You are very kind and  
generous w/ me.

Thanks for your examples  
and all the ♥ you  
show me.

See you soon

Love Always  
Laura
