

OURS, I bought a senegal  
parrot. His name is  
Smeagol. He will be able  
to talk soon. He can almost  
say hello. Why don't you  
put up a seed bird  
feeder in your yard.

I'd like to know what  
birds are in Utah. You  
have to ~~help~~ tell me if  
you have evening grosbeaks.  
We don't have them here.  
They are my favorite bird.  
Thanks again. Love

Nathan Wood

Dear Grandma & Grandpa,  
How are you doing. Thanks  
for the B-day money. This  
summer has been pretty good.  
I am going into my senior  
year. I hope to be able to  
get into BYU. I'm making  
good money at the bird  
store. How are the humming  
birds? What kinds do you  
have coming to your feeder?  
We have a few of  
the ruby-throats at ours.
